

# Brushy Creek Elementary PTA

## Volunteer Interests

Please return this form to your child's teacher.

Volunteering at our school benefits BCE, teachers, students, and your entire family. It can give you the opportunity to get to know the teachers and students in your child's class. It can lower a school's overhead while they face budget cuts. It can help build your skills and resume while you get to know other parents...

**But most importantly, it shows your kids how much you value their education!**

This form does NOT obligate you in any way. Choose any and all which interest you. PTA members may contact you as opportunities within each program arise.
